This event will be held at The Esperanza Center located at 922 San Pedro beginning at 7:00 pm. These agencies will be joined by the Bexar County Sheriff’s Department Human Trafficking Task Force for discussion and questions following the movie. The event is free of charge.

“A ‘just’ society is measured by how its citizens are treated by the justice system. No one chooses to be a victim of a crime, but when a crime occurs and a victim or victim’s family is thrust into the system, they trust and deserve to be treated by agents of the state with dignity, respect and fairness during all phases of the criminal justice process. When all else fails, that may be the only ‘justice’ they receive ... it is the closest thing to doing what is right.”
